

Registration form

Proficiency Test NMR Spectroscopy

We would like to participate in the "Proficiency Test for the determination of the content of organic substances in a three-component mixture using NMR Spectroscopy.

The participation fee of 400.00 € plus transport costs (express service from Germany) and VAT (if applicable) will be paid after receipt of the invoice.

Date of dispatch is 15 March 2022.

If you cancel your participation within two weeks before dispatch 50% of the fee is due. Starting from the day of dispatch, cancellation is not possible anymore and the full fee is due.

Obligation

Our laboratory will perform the analyses **in our own laboratory, with own personnel and own equipment.**
